WELCOME

At Mount Annan Christian College the future comes alive with possibilities for your child.

We believe education is more than academic learning, it encompasses the spiritual, physical and social development of your child. Our vision is to develop young people to make a positive difference in this nation and beyond.

We are a Co-educational College catering for Prep to Year 12, located on thirty seven acres of land in a semi rural setting in south west Sydney. The peaceful surrounds and location enhances the learning environment for all of our students.

The College was established in 1999 and will celebrate 10 years of "Quality Education within the Macarthur region" in 2009.

As parents, you are an integral part of our College and also have a unique role to play in your child's education. We welcome you and your child to join us in our celebration year and future as we continue to offer "Excellence in Christian Education".

CHRISTIAN VALUES

At Mount Annan Christian College we believe that developing Christian values in each student is a key foundation of our College. Our students are encouraged to adopt principles for life that promote honour, discipline, stewardship, character, friendship, hope and faith in Christ.

We view the College as an extension of your home where we support and encourage the relationship between your family and the College community.

The staff at Mount Annan Christian College are made up of highly committed Christian professionals who are focused on nurturing and building a strong christ-like character in your child.

ACADEMIC EXCELLENCE

Mount Annan Christian College has built a strong tradition of providing quality education in a Christian learning environment. Our staff aim to seek the highest possible academic outcomes for each student by providing an interactive learning environment.

The facilities and curriculum at the college provides our students with the very best in academic excellence.

NURTURING ENVIRONMENT

Students at Mount Annan Christian College are nurtured, encouraged and respected in a safe and caring environment by our team of expert staff.

The College emphasises the partnership between home and school in developing each student's talents and abilities from Prep through to Year 12.

EDUCATIONAL OPPORTUNITIES

At Mount Annan Christian College there are many opportunities, challenges and resources that each individual can use to discover his or her strengths and talents.

Each student has the opportunity to flourish within this dynamic educational environment and it is a foundational key for lifelong learning.

Students are encouraged to participate in an extensive program of activities that centre on building self confidence, leadership abilities and creating sound personal relationships with others.

QUALITY FACILITIES

Mount Annan Christian College has a variety of facilities that are in keeping with the advances in Technology. Our Computer Laboratories are well equipped with the latest technology.

The College has specialist Music Practice rooms, a Science Laboratory, Art Studio, Design and Technology Workshop and an Agriculture Farm.

The College Library is exceptionally well resourced for all students and staff in Prep through to Year 12.
