## Innovative Curriculum

*'An innovative, comprehensive curriculum operates to meet the interests, needs and abilities of all students.'*

In Year 7 and 8 students complete a quality mandatory curriculum delivered with the aim of explicit skill development and engagement.

In Years 9 and 10 students choose 3 additional electives catering for a broad range of interest and ability. Electives include: Dance, Drama, Food Tech, Graphics, Technology, Metal and Wood, Information and Software Technology, Language, Music, Photography, Sports Studies and Visual Arts.

In Years 11 and 12, Cromer students can elect to study courses from any of the five Northern Beaches Secondary College campus schools. This provides unrivalled choice and enables students to choose a pattern of study that meets their particular interests and abilities.

## Outstanding Teaching and Learning Programs

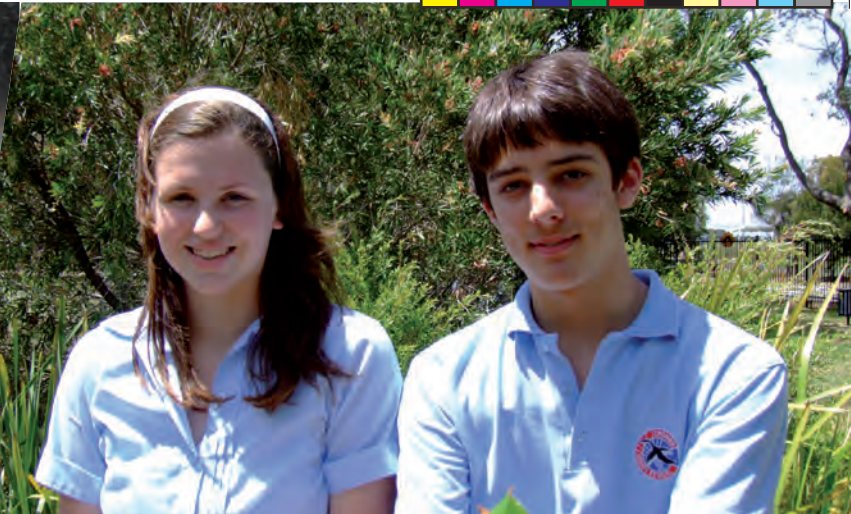

*'At Cromer we value and promote high achievement through the implementation of quality teaching and learning programs'*

- our focus is on maximising the learning outcomes of every boy and girl
- extension classes challenge higher ability students
- a focus on literacy and numeracy programs forms a strong core of student learning
- specialist support programs for students with special needs
- diverse educational opportunities and broad subject choice
- personal best philosophy encourages the development of each individual child's potential
- innovative programs engage students of all abilities through quality teaching

## Quality Staff

*'Our experienced dedicated and caring staff work as a strong, united team for the benefit of all our students'*

- excellent mix of experience and youth on staff
- staff share a collaboratively developed set of core values uniting our purpose in delivering the best for our students
- traditional and innovative teaching in well managed classrooms
- specialist tuition and targeted programs for enrichment
- outstanding male and female role models for students
- strong purposeful school leadership

## Personal Best

OUR PHILOSOPHY – OUR SHARED VALUES

*'Our experienced, dedicated staff at Cromer are motivated by a desire to help students learn and achieve their personal best'. We genuinely care about the welfare and well being of our students and in helping each boy and girl reach their full potential.'*

OUR SCHOOL VISION

*'Cromer Campus has a clear focus on maximising the learning potential and development of every boy and girl. We pride ourselves on delivering a quality education in a safe and caring environment.'*

## Great Opportunities

*'Cromer provides broad opportunities across the full range of academic, sporting, cultural, artistic and vocational programs.'* This balance allows every boy and girl the chance to succeed and reach their potential in a caring, safe and supportive environment

## Co-Curricular Programs

*'A comprehensive range of co-curricular activities provide opportunities for students to excel outside the classroom'*

- opportunities for participation in showcase events including Rock Eisteddfod and Schools Spectacular
- outstanding sporting opportunities at school, zone, regional and state level
- successful creative and performing arts programs, including dance and drama
- school and College Band programs with specialist tuition available
- successful participation in Statewide academic challenges including English, Mathematics and Science Competitions
- best practice vocational education programs in Hospitality, Tourism, Business Services, Information Technology and Construction in state of the art, purpose built facilities.

## Great Learning Facilities

*'Cromer is a well resourced, well laid out campus with excellent facilities'*

- multimedia and learning centre including smartboard technology
- well equipped, networked computer labs and specialist technology rooms
- extension studies centre and well equipped library
- Industry standard vocational education skills centre including two commercial kitchens
- dance and drama studio
- gymnasium and weight training facility

## Student Discipline, Self Responsibility and Leadership

*'Effective discipline and pastoral care programs promote self direction, responsibility and a quality learning environment'*

- a caring and disciplined learning environment enables boys and girls to enhance their skills to work cooperatively and independently
- peer support and mentor systems and student representative council build social skills, friendships and provide leadership opportunities
- a group structure meets regularly where students develop a strong sense of belonging and unity

## Parent and Community Involvement

Strong links exist with parents, local business, sporting clubs and the wider community. Parents are valued and welcomed partners in our school.
