KINROSS WOLAROI SCHOOL

HSC ACHIEVEMENTS 2020

FROM THE PRINCIPAL

CONGRATULATIONS TO THE CLASS OF 2020

It is my great pleasure to share with you the wonderful achievements of the Kinross Wolaroi Class of 2020.

I warmly congratulate the Class of 2020 on their exemplary HSC results as well as on their substantial achievements throughout their time at Kinross Wolaroi School. We are exceptionally proud of every one of our graduates and the fine young adults they have become.

Part of our Mission at Kinross Wolaroi is to provide a challenging holistic education that equips our students to live meaningful lives and make positive contributions to society.

I believe our curriculum and the experience and actions of our current and past students provide clear evidence that our mission is real and lived.

Throughout their schooling this Year 12 have demonstrated a genuine depth of talent and an eagerness to engage and contribute in a vast array of activities.

We have seen so many outstanding performances in music, drama, in the classroom, in industrial and creative arts, in the domain of social justice and on the sports field.

What has stood out to me are their outstanding qualities as young people. This year - in the face of such disruption and disappointment, of lost opportunity and of social dislocation and periods of remote learning - their individual and community spirit was not diminished.

The Class of 2020 have conducted themselves with maturity, grace and good humour: For that we are extremely proud of them and I have no doubt their example will leave a lasting imprint on other year groups within the School.

One of the important goals of education is preparing young people for the many challenges that life presents. The tests of life this year have enabled our students to demonstrate qualities that will establish a tremendously strong foundation for the wonderful futures they have before them.

To our graduating Class of 2020, thank you for your example and contribution to Kinross Wolaroi School. I wish you every success along your journey in the future, wherever it may take you.

Good luck and God bless.
