Moving Beyond Horizons

As Ignatius Park College celebrates its 50th Year in Townsville – our Strategic Plan 2019 - 2021 *Moving Beyond Horizons* looks towards the future, while at the same time acknowledging our history. While the future contains many uncertainties and challenges, the values of Ignatius Park College retain their relevance. These values are embodied in our EREA Touchstones that provide a liberating education to prepare our students for a changing world.

Moving Beyond Horizons sets a new direction for Ignatius Park College that builds upon the success of our Strategic Plan from 2014 and considers the ongoing changes within the College related to the commencement of ATAR and development of 21st Century pedagogy for the College curriculum. Our Strategic Plan for the College focuses on preparing our students for the future - developing graduates with strength, optimism and justice who will build a positive and sustainable world.

We are living in very different times and the needs of our students and the world they will enter has changed dramatically. Our 2019 – 2021 Strategic Plan, *Moving Beyond Horizons*, has been developed through research into trends in education; feedback from the College community through surveys; visits to other EREA schools across Australia; and stringent analysis of changes and developments in education across the world. We are shaping a new and exciting future for Ignatius Park College and positioning ourselves to achieve local, national and international excellence in boy's education.

Developing the skills and capabilities of our young men remains our core focus. Our Strategic Plan, *Moving Beyond Horizons*, calls us to foster and maintain a tradition of growing students prepared, not only for today's world, but that of the future - young men who authentically live our EREA Touchstones and the charism of Blessed Edmund Rice. As a College, our 2019 – 2021 Strategic Plan proudly upholds our traditions and heritage, our commitment to high quality learning and wellbeing and our College motto, *Seek Truth*.

Yours Truly

Statement of Acknowledgement

The traditional custodians of our land are the Bindal and Wulgurukaba people, and the language of the traditional custodians is the Birrigubba language. 'Wadda Mooli' is Birrigubba language meaning greetings such as 'hello, goodbye, or welcome'.

The Bindal people call their country Thul Garrie Waja. An important symbol for the Bindal people is the shooting star. They believe that wherever the star fell, or the direction the star fell, there was either danger coming from that direction or someone from that direction was in need of help.

The Wulgurukaba people call their country Currumbilbarra. Wulgurukaba means 'canoe people'. An important symbol for the Wulgurukaba people is the carpet snake. The creation story tells of the creation snake that came down from the Herbert River (Ingham area) and went out to sea creating the Hinchinbrook Channel as well as to Palm and Magnetic Islands. His body broke up leaving parts along the coast. The tail of the snake is at Halifax Bay; his body is at Palm Island; and his head rests at Arcadia on Magnetic Island.

Ignatius Park College acknowledges that the land upon which we learn, create and grow is the traditional land of the Bindal and Wulgurukaba people. We respect the Bindal and Wulgurukaba people's deep spiritual relationship and connection with their country. We honour Bindal and Wulgurukaba people both past and present, and acknowledge that their cultural and heritage beliefs are important and significant to Bindal and Wulgurukaba people today.

We also acknowledge and respect the cultural diversity of the students, families and staff represented in the Ignatius Park College community, in the past, present and future. As a College community, we support the principles of a reconciled Australia for all its people in the interests of our children – tomorrow's leaders.

Our Moral Purpose

At Ignatius Park College, we value the individual gifts and talents of each community member. We nourish compassion and right relationships and honour the dignity of ourselves and others. Our College, through quality education, liberates students to be open to new possibilities, fosters a willingness to challenge injustice and social norms and commits to creating a new world of 'brothers' ready to embrace their global citizenship.

Our Context

Ignatius Park College is proudly dedicated to boys and their spiritual, academic, social and physical growth as they approach maturity. As Townsville's only all boys' College, we are uniquely placed to cater for their specific needs.

The College's challenging academic programs revolve around a recognition that boys think and learn differently from girls. Our routines and curriculum are therefore carefully structured to allow maximum personal growth within an environment tailored specifically to cater for boys' academic, physical and emotional development.

We provide a balanced and holistic education within the Edmund Rice Network, building on the Christian Brothers' proud tradition of educating young men as leaders of the community, with a strong focus on faith education and Christian living.

We believe that Ignatius Park College students - the boys of today - have a vital role to play as outstanding young men of the future, with highly developed skills in leadership, critical thinking, creativity and emotional intelligence.

Our Mission

Ignatius Park College is a reflective community that encourages its members to seek truth through the spirit of Edmund Rice by nurturing right relationships and respecting the dignity of each person. In partnership with families and the wider community, we strive to promote a learning community that actively encourages excellence in teaching and learning within a inclusive curriculum framework based on Gospel values.

EREA Touchstones

Liberating Education

We open hearts and minds, through quality teaching and learning experiences so that, through critical reflection and engagement, each person is hope-filled and free to build a better world for all.

Gospel Spirituality

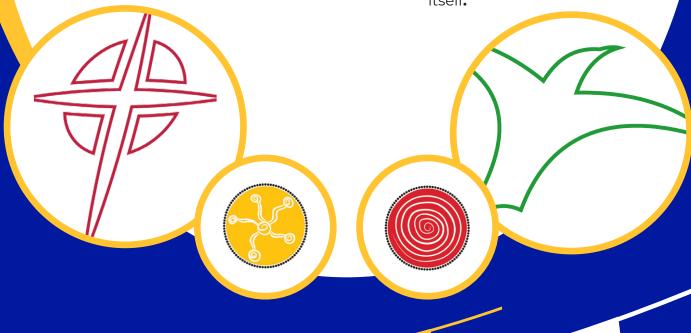

We invite all people into the story of Jesus and strive to make his message of compassion, justice and peace a living reality within our community.

Inclusive Community

Our community is accepting and welcoming, fostering right relationships and is committed to the common good.

Justice and Solidarity

We are committed to justice and peace for all, grounded in a spirituality of action and reflection that calls us to stand in solidarity with those who are marginalised, and with the Earth itself.
