Welcome to St Joseph's Nudgee College

schoolspiritacademicspiritsportingspiritcommunityspirit

Thank you for your enquiry, whether it is for a Year 5 or Year 12 student, as boarder or day boy. Please find attached information to assist you with the next step in your son's educational journey.

Your son's education and wellbeing is important and we understand the need for all your questions to be answered. So peruse this prospectus. Check our website. Telephone our staff. Visit us on campus. Whichever way you contact us, your communication is most welcome.

If there is specific information you require that isn't mentioned in this prospectus, please call us. Our Enrolments Office will happily work with you so you get the answers you need, or organise the appropriate Head of Department to call you.

updated 16 February 2012

About St Joseph's Nudgee College

St Joseph's Nudgee College commenced educating boys from across Queensland in 1891, as a boarding-only College. Nudgee College has adapted and evolved over time and today is a boys' day and boarding College for Years 5 to 12 (boarders from Year 6).

College Mission Statement

Inspiring young men to live justly, igniting in them faith, compassion and a love of learning.

We are members of the St Joseph's Nudgee College community founded by the Christian Brothers to provide an education for the development of the whole person. We celebrate our diversity and work together to create an environment where every person is respected. We encourage our young men to strive in the spiritual, academic, social, personal, cultural, and sporting aspects of life. Faithful to the vision of Edmund Rice, we hold a special concern to act justly and with compassion, especially towards those most in need. For over a century, our College community has been based on Catholic faith, service to others, loyalty and friendship in day and boarding contexts. In Jesus our brother, we are determined in our struggle to uphold, communicate and nurture the values of the Gospel. Our goal is that each member of our community will become for the world *Signum Fidei* - a Sign of Faith.

The Principal

Mr Daryl Hanly B.A., B.Ed., M.Ed.(Leadership), M.Ed.(Admin), A.T.C.L., F.A.C.E.L. (Qld)

Mr Daryl Hanly was appointed as the first Lay Principal at Nudgee College in January 2002. He completed his secondary education at St Brendan's College, Yeppoon, and his tertiary studies at the University of Queensland, the Queensland University of Technology and the Australian Catholic University.

Mr Hanly has had a distinguished career as an educational leader, having been:

- Deputy Principal of Townsville State High School (1974-78)
- Founding Principal Kirwan State High School (1979-83)
- Principal Kelvin Grove State High School (1984-94)
- Director of the Centre for Leadership Excellence (1995-99), and
- Director Education Queensland International (2000-01)

During this time, Mr Hanly was President of the Queensland Secondary Principals' Association on two occasions and an Executive Member of the Australian Secondary Principals' Association.

In addition, he currently serves as the National President of the Catholic Secondary Principals' Association Australia (CaSPA), as a member of the Queensland Studies Authority Governing Body (QSA) and a Board Chair of Stuartholme School.

Married with two sons, Mr Hanly's vision for Nudgee College is to provide a balanced education for the development of the whole person - a person who will become for the world *Signum Fidei* - a Sign of Faith.

College Leadership Team

Nudgee College is led by a team of dedicated and experienced professionals who manage the daily operations of the College and aim for goals that enhance the learning environment for each student. Along with Principal, Mr Daryl Hanly, the College Leadership Team consists of:

- Mr Graham Leddie – Deputy Principal
- Ms Erin Wedge – Dean of Identity
- Mr Paul Begg – Dean of Students
- Mr David Johnston – Dean of Learning and Teaching
- Ms Rebecca Knezevic – Dean of Operations

Faith Life

As a Catholic school in the Edmund Rice Tradition, Nudgee College lives the mission of the church and continues to proclaim the Gospel of Jesus Christ by providing opportunities for spiritual growth, formation and action for social justice.

The entire College community gathers on four occasions each year to celebrate the Eucharist. Each week during the term, a House Mass is celebrated where students, staff and parents may gather in prayer and communion. And, as has been the tradition for over 120 years, our boarding community gather to celebrate the Eucharist each week. There is a rich sacramental life within the extended Nudgee College community where many Old Boys are married in the beautiful Our Lady Help of Christians Chapel and where deceased members of the community have a Funeral Mass celebrated. We enjoy a wonderful relationship with many Priests throughout the Arch diocese and in particular with the Parish of St Flannan's, of which we are a part.

We believe that Religious Education is an important element in the formation of our students. All students in Years 5- 9 engage with the Brisbane Catholic Education Religious Education framework in their studies and students in Years 10-12 complete a program in Study of Religion which contributes to students attaining an OP or participate in a Religion and Ethics program if completing a Vocational Education pathway.

All students at Nudgee College participate in a sequenced retreat program which provides an opportunity for students to stop their normal routine, to reflect and learn about different ways of seeing themselves and others and then act accordingly. Each year level has a different theme for its retreat with experiences offered from day programs for younger students through to extended residential programs for Senior students. All of these programs build on explorations, knowledge and understanding of self and our growth towards being and becoming *Signum Fidei*: a Sign of Faith, in our families, local communities, future workplaces in an increasingly complex global community.

The Year 10 Immersion Week sees some students travel to the Philippines to build on relationships developed between Nudgee College and five Catholic schools. All Years 5 to 9 students are involved in an annual solidarity project which supports students in these five schools. During Year 10 Immersion Week, some students stay closer to home and encounter issues such as environmental problems, homelessness, disability, refugee issues and Indigenous reconciliation.

All students are also encouraged to show 'Faith in Action' through a variety of service and solidarity initiatives.

For example, the Big Brekky program sees Year 11 students provide breakfast and a friendly meeting place for people in Fortitude Valley while Year 10 students cook an evening meal and socialise with residents of a local caravan park, in partnership with Hope Community Care, as part of the Big Barbie. Both of these activities occur every Tuesday of the year, including school holidays.

Students also roll and distribute Street Swags which provide warmth and comfort for people in need and spend time with students from a local school helping with reading and homework and visit local aged care homes to spend important social time with residents.

Our community is actively committed to the process of reconciliation with the Aboriginal and Torres Strait Island people of Australia. As a Catholic School in the Edmund Rice Tradition we acknowledge that our school stands on Turbull land and we pay our respects to the elders of the past, present and future in welcoming Aboriginal and Torres Strait students into our Indigenous Education Program. We embrace this responsibility and opportunity.

As a Catholic school, Nudgee College strives to be a Gospel centred community that welcomes all faiths and aims to give students a deepened understanding of their own spirituality as well as a respect and understanding of the beliefs of others. Our mission is to inspire young men to live justly and ignite in them faith, compassion and a love of learning.

In the tradition of Blessed Edmund Rice, Nudgee College seeks to form young men who are instilled with a sense of possibility and hope and are empowered to make a positive difference to the world.

Student Life

House System and Student Formation

In line with our commitment to teaching and demonstrating the values which characterise a Christian community, students' growth and development is carefully managed all the way through to graduation.

Our philosophy is to establish a welcoming atmosphere for every student. A sense of belonging follows, creating a sense of security and acceptance. Boys are known by name; they are acknowledged and respected simply because they are members of the school community.

The house system evolved as a means of providing this personal care and extensive leadership opportunities for all boys at Nudgee College. The aims of the house system are:

- To integrate the academic, social and religious dimensions of Nudgee College so that an atmosphere of care prevails within the College community
- To continuously seek and affirm each boy's worth, dignity and vocation, and encourage him to reach for excellence in every dimension of his life
- To assist in the development of the whole person: spiritually, emotionally, physically and intellectually
- To help create an environment permeated with the Gospel spirit of love and freedom, according to the values taught by Jesus Christ

All students and academic staff are welcomed into one of nine houses under the administration of a House Dean. There are approximately 170 boys in each house, from Years 5 through to Year 12. Together they compete in Inter-house sports and participate in fundraising and other social activities as a unique group.

This system ensures boys from all year levels mix regularly, within a small group of approximately 20, helping to establish a relationship of trust, support and friendship. Students stay with the same Pastoral Care (PC) group, PC Tutor (where possible) and House Dean for the duration of their time at Nudgee College, to ensure a sense of belonging. A student's PC Tutor is the first, and central, link to many College activities, events and communications.

PC group meetings are held every morning and Student Formation classes once a week. Student Formation classes teach students about being 'connected', and cover six areas in the curriculum which are considered essential to the developmental needs of boys:

1. A notion of masculinity which is empowering
2. An understanding of the experience of womanhood and how gender is constructed
3. Educational experiences which are stimulating and challenging, and value all learners and learning areas
4. Positive senior and peer role models
5. Balancing all areas of life
6. Respect for physical and mental wellbeing

In addition, PC groups follow four main themes: Community Living; Relationships and Gender; Social Justice; and Physical and Emotional Health. The seven core values of Edmund Rice Education are critical in the development of the student and are included in the Nudgee College program to enhance discussion and reflection during PC groups, whole school, year level and house assemblies.

Academic Life

Nudgee College is proud of its academic record over the past century and lists among its Old Boys many who have distinguished themselves in Academia, Business, Church, Industrial, Legal, Military, Rural, Sport and State pursuits.

The College believes that the range of subjects on offer caters for the interests and abilities of our students today. High standards of academic involvement are expected as we present each student with a range of subjects through which he can develop and strengthen specific gifts and abilities.

Nudgee College also offers a Vocational Education program that provides pathways into training, which includes a greater emphasis upon the world of work.

Academic Structure at Nudgee College

Nudgee College is organised academically into:

- Years 5–9
- Years 10–12

While the Dean of Learning and Teaching manages the overall strategic academic direction, both Years 5–9 and Years 10–12 each have a Director who assists the Dean with the strategic direction and operationally manages the specific year levels. The goal is to create an integrated Year 5–12 program, where both the learning and pastoral experiences are designed to be sequential and seamless.

Years 5–9

Year 5, 6 and 7 boys are located in the O'Neill Building, which contains purpose-built classrooms with interactive whiteboards, dedicated play areas, and wet areas for science experiments, which together create a secure and familiar environment. The teachers have access to facilities used in the Senior School for specialist subject areas such as Design Technology, Physical Education and Hospitality. Facilities such as the campus cattle yards, vineyard and proximity to the Boondall Wetlands means the College's younger students have access to disciplines such as Agricultural Science and Marine Science, enabling the delivery of exciting experiential units.

Students in Years 5, 6 and 7 have one key teacher who stays with them for the whole year. They enjoy specialist teachers in Physical Education, Art, Drama, Music and Japanese. In Years 8 and 9, the number of teachers is similarly structured, with boys having one Core teacher for the study of English, Social Science and Religion, with whom they are able to build a relationship. In Year 9, students choose two elective subjects to complement Core Studies, Maths and Science.

Years 10–12

Year 10 is a critical transition point for all young people as they embark on their Senior phase of learning. Nudgee College enables this transition by offering a relevant and engaging curriculum, facilitating Senior Education and Training (SET) plans, providing a career education program, and focusing on the needs of young people and their networks.

Year 10 students continue to study the Core subjects (Study of Religion, English and Mathematics), but also choose three electives, from a wide range of Senior subject areas, that provide an overview of more specialised subjects students can study in Years 11 and 12.

Nudgee College offers a wide variety of Senior School subjects and courses that allow students to tailor their study to their future goals beyond the College gates. These include Authority subjects, Authority Registered Subjects, stand alone VET (Vocational Education and Training) courses, elements of University and TAFE courses, and school based traineeships and apprenticeships.

Subject Selection

Years 8

Art, Drama, Music	Information & Communication Technology, Design Technology	Mathematics, Mathematics Essentials
Core Studies: Religious Education, English, English Essentials, Social Science	Japanese	Science
Health and Physical Education	Curriculum Support, Horizons, Student Formation	

Year 9

Art, Drama, Music	Information & Communication Technology, Design Technology, Graphics	Mathematics DELTA, Mathematics, Mathematics Modified, Mathematics Essentials
Core Studies: Religious Education, English, English Modified, English Essentials, Social Science, Business Studies	Japanese	Science
Health and Physical Education	Curriculum Support, Curriculum Extension, Student Formation	

Year 10

English, English as a Second Language, English Communication	Industrial Skills, Graphics, Technology Studies	A Prep, Mathematics Essentials
Geographical & Environmental Studies, History, Business Enterprise, Economics & Law, Introduction to Accounting	Information Technology	Physical Sciences (Physics/ Chemistry), Biology, Rural Studies, Marine Studies
Health & Physical Education	Japanese	Study of Religion
	Curriculum Extension, Curriculum Support, Student Formation	Visual Art, Drama, Music
	Mathematics B Prep, Mathematics	

Years 11 and 12 –Authority Subjects

Accounting	Health Education	Music
Biological Science	Hospitality Studies	Philosophy & Reason
Business Organisation and Management	Information Processing & Technology	Physical Education
Chemistry	Information Technology Studies	Physics
Chinese/Korean	Japanese	Study of Religion
Drama	Legal Studies	Technology Studies
English	Marine Studies	Visual Art
English for ESL Learners	Mathematics A	
Economics	Mathematics B	
Geography	Mathematics C	
Graphics	Modern History	

Certificate Courses

Cert I Construction
Cert I Engineering
Cert II Business Operations
Cert II Hospitality Operations

Cert II Rural Operations

Opportunities are available for School-based Traineeships and Apprenticeships.

Authority Registered Subjects

Religion & Ethics
English Communication
Pre-Vocational Mathematics

Boarding Life

Many say the camaraderie of being a boarder often helps boys enjoy their schooling more, as they form life-long friendships amid study routines. With 300 boys living on campus, Nudgee College is an exciting and enthusiastic community with a distinct tone and spirit emanating from the boarding houses.

As one of Australia's largest boarding schools, Nudgee College gives students many opportunities to participate in all aspects of their development. Set in a Catholic environment, attention is also given to the spiritual growth of each boy.

Care and Structure

Over 60 staff live on campus, including many families. Male and female senior staff bring a wealth of experience to their roles and take an active interest in the care of the boarders. Heads of Boarding Houses work hand-in-hand with House Deans from the day school to cover all aspects of a boy's development and learning.

A boarder at Nudgee College will mix with people from rural and urban areas of Australia as well as boys from Asia, Papua New Guinea, the South Pacific and other nations.

Within the boarding house all boys follow a nightly study routine which is supervised by our boarding staff and supported by day school academic staff through the 'Reach for the Stars' Academic Support Program. The College's computing and library facilities are open during the evening and all boarding houses have internet access.

The Boarding Recreation Coordinator organises activities for boarders during their spare time. Highlights of this program range from trips to major sporting events and theme parks to relaxed games on campus.

Each boarder has his own individual room space within the boarding house and his needs are attended to by a team of staff entrusted with the pastoral care of the boys. Each boarding house has a House Mother who provides gentle understanding to the boys; and a Head of Boarding House who cares for boys. Nudgee College has four boarding houses: two junior, each housing 70 boys, and two senior, each accommodating 80 boys, where boys enjoy the chance to help build school spirit and develop a more independent and mature lifestyle.

A 24-hour Health Centre is staffed by trained nurses who hold the boys' medical needs close to heart, as well as being a 'mum's ear' when they need someone to talk to. Doctors run a clinic three afternoons each week and a physiotherapist, dentist and orthodontist visit the campus on a regular basis.

Family Involvement

Boys' families are encouraged to be a part of the Nudgee College community. Families are invited to attend Sunday liturgy as well as special events such as the Boarders' Family Bash and the Boarders' Family Mass. The Boarders' Parent Support group is a welcome component, meeting at the beginning of each term to discuss issues and to lend support to the boarding community.

Detailed Information about Boarding

A dedicated Boarding Handbook can be supplied to any prospective family considering boarding at Nudgee College. Information contained in the Handbook varies from leave arrangements and travel, through to pocket money, uniform requirements and what linen to bring.

Please request a copy of the Nudgee College Boarding Handbook from the Boarding Office if you are interested in becoming a Nudgee College boarder.

Activities (Sporting and Cultural)

Each weekend throughout the year, a minimum of 600 boys (and over 800 in the winter season) feel the joy of wearing the famous blue and white while representing Nudgee College. Virtually all students who pass through the College gates learn invaluable life skills and values while representing Nudgee College, experiencing a sense of community fostered through the Activities Program.

The College has a strong emphasis on sportsmanship and fair play. This is evident through our high rate of student participation and that incredible phenomenon, the 'Nudgee Spirit'.

Students at Nudgee College enjoy not only a proud sporting tradition, but arguably the finest sporting facilities of any school in the country with 11 rugby and cricket pitches, 12 cricket nets, an Olympic swimming pool and heated 25 metre pool, four basketball courts, four indoor volleyball courts, 12 tennis courts, an Olympic standard tartan athletic track, a nine hole golf course, three soccer pitches, a rifle range, a first class gymnasium, and a state of the art rowing shed overlooking the Brisbane River.

In terms of Cultural facilities, Nudgee College has a dedicated Art Block, newly renovated Drama space and Music facilities complete with recording studio. The College Master Plan includes a state of the art Cultural precinct, which will provide excellent facilities for our boys to excel in cultural endeavours. The recently refurbished and award winning 400-seat Tierney Auditorium is the first completed stage.

Frequently Asked Questions

If my son registers for a sport will he get into a team?

If he participates in chess, cricket, debating, football, rowing and rugby – yes. However for other sports we can not categorically guarantee a spot, though we do attempt to meet all registrations.

What is the GPS?

GPS stands for Greater Public Schools Association and it was established in 1918. The Association is made up of nine schools and Colleges (including Nudgee College) in Brisbane, on the Gold Coast and in Toowoomba. Each year students in Years 8–12 compete for Premierships against other GPS schools in 12 of the Association's 15 formal activities.

What is the Supplementary Competition?

This is a competition in basketball, cricket, football and rugby designed to give as many teams a game each weekend as possible. Some schools have fewer teams than Nudgee College, so our extra teams go into the Supplementary Competition for a particular weekend, playing GPS, Associated Independent Colleges (AIC) or The Associated Schools (TAS).

What are Non-GPS Activities?

These are different sports and clubs in which Nudgee College participates but are not overseen by the GPS Association such as cattle club, theatre sports, golf, Australian rules and touch football. Generally they require a smaller commitment than GPS Activities.

What is the CIC?

Students in Years 5–7 compete against other schools in the Combined Independent Colleges (CIC) Sports Association competition. The CIC competition involves fourteen teams from independent Colleges in Brisbane and the Gold Coast who have middle/primary school year levels. It is completely independent of the GPS competition in which students compete once they reach Year 8.

Is it compulsory to play sport at Nudgee College?

While all students are strongly encouraged to participate in at least two activities from the sporting and cultural areas each year, sport is not compulsory. To be fair to their team mates, boys are required to commit to a whole season for either a sport or cultural activity. This commitment includes training, rehearsals, games or performances, with boys being strongly encouraged to support each other by attending other Nudgee College team events.

Activities Summary

CIC	GPS	Non-GPS	Culture	Clubs
athletics	basketball	aussie rules	art workshop	audio visual
basketball	chess	golf	college oratory	board games
cricket	cricket	touch football	drama	cattle club
cross country	cross country		music	chess
football	debating		opti-minds	clay target (gun)
rugby	football		schoolproduction	drama
swimming	rowing		theatre sports	golf
tennis	rugby			rodeo team
	swimming			ski trip
	tennis			small bore (gun)
	track and field			squash
	volleyball			table tennis

GPS Scheduling

While students are able to concentrate on one or two sporting or cultural pursuits during their time at Nudgee College, they are also given the opportunity to select from a plethora of activities. Some boys try as many different sports as they can fit into a year. To aid boys in the selection of Activities across the year, a full table of GPS Activities appears below:

	Term 1	Term 2	Term 3	Term 4

Getting to Nudgee College

Being located on Sandgate Road means it's easy to get to Nudgee College. TransLink is an easy way to plan your son's journey. The TransLink website has a journey planner that can organise your return trip to Nudgee College from most areas in South East Queensland using bus, train or ferry.

Visit www.transinfo.qld.gov.au or phone 13 12 30.

By Train

There is easy access to the College for those living close to a train line. A complimentary College bus service collects students from Boondall Station each morning and returns them each afternoon.

Boondall Train Station / Shorncliffe Train Line

Train stations on the Shorncliffe Train Line:

Shorncliffe	Nundah
Sandgate	Toombul
Deagon	Eagle Junction
North Boondall	Woolloowin
Boondall	Albion
Nudgee	Bowen Hills
Banyo	Brunswick Street
Bindha	Central
Northgate	Roma Street

Carseldine Station / Caboolture Train Line

City Council buses have bus routes to bring students from Carseldine Station to Nudgee College. Standard City Council bus fees apply.

Train Stations on the Caboolture Train Line:

Caboolture	Sunshine
Morayfield	Virginia
Burpengary	Northgate
Narangba	Nundah
Dakabin	Toombul
Petrie	Eagle Junction
Lawnton	Woolloowin
Bray Park	Albion
Strathpine	Bowen Hills
Bald Hills	Brunswick Street
Carseldine	Central
Zillmere	Roma Street
Geebung

Enrolment Information

Bursaries

Nudgee College operates a Bursary Program, providing partial reduction in Tuition and/or Boarding Fees, to assist families who wish their sons to benefit from a Nudgee College education. A number of positions will be available for new students, entering Years 8 to 11 only.

The Bursary Program is named after John Elliott Ross, a College stalwart associated with Nudgee College from 1908 to 1972. John Ross had been a student, teacher, coach and Secretary of the Nudgee College Old Boys' Association for over 50 years. The Bursary is open to any applicant and will be awarded on merit or for reasons of equity. The Bursary is supported by donations from Nudgee College Old Boys.

When do I apply?

Bursary Applications are accepted in two ways:

- 1. Formal Examination** via the Australian Council for Education Research (ACER) Co-operative Scholarship Test Program (CSTP). A Registration Fee must be paid with the nomination to sit the exam. The exam can be taken at Nudgee College. Other schools and Colleges throughout Queensland and Australia also conduct the exams. To review registration procedures and complete an online registration form, go to the ACER website (www.acer.edu.au). The 2012 test (for entry in 2013) will be held on February 25h, 2012.
- 2. Submission of Detailed Curriculum Vitae** This option specifically applies to young men at the elite sporting level, wishing to gain entry into the Nudgee College Sports Program. Submissions are assessed on a case by case basis. Submissions should be addressed to the Enrolments Registrar and can be accepted throughout the year.

Invitation for Interview

Short-listed candidates will be required to attend an interview, along with parent(s)/guardian(s). Some applicants may be asked to complete further assessment tests.

How long does a bursary last?

The term of a bursary will be negotiated with families and will be dependent on the year of entry.

If I am awarded a bursary, what is expected of me?

Bursary recipients will be expected to lead by example in both their studies and extra-curricular activities. Parent(s)/guardian(s) may expect to be contacted to review their progress, goals and development. They will be expected to show continued commitment to Nudgee College's motto – Signum Fidei – to be a Sign of Faith.

What doesn't a bursary cover?

A bursary does not cover normal schooling expenses such as books, uniforms, excursions, sporting equipment, ancillary fees, and so on.

Final Decision

The decision to interview, the level of financial assistance and the offer of a Scholarship rests with the Principal. No further correspondence will be entered into.

Privacy Policy

St Joseph's Nudgee College, as a part of the Xavier Province of the Christian Brothers, acknowledges its obligations imposed by The Privacy Amendment Act (Private Sector) 2000, Commonwealth, which came into force on 21 December 2001.

Information collected in the course of the enrolment process will be handled in compliance with the Act relating to the collection, use, disclosure, security, access and disposal of. The purpose of collecting this information is to ascertain the educational and physical needs of your child and to determine our ability to best meet those needs.

Personal student information (including parent / guardian names, addresses and occupations etc) will be held in a safe and secure manner during the course of a student's education at the College. The information obtained in the normal course of an enrolment of a student will, during his association with the College, be given to supporting groups (Nudgee College Foundation, Ladies' Auxiliary, Nudgee College Old Boys' Association, and cultural and sporting support groups) and ultimately, when the student finishes at the College, his name, address and years at Nudgee College will be stored on an Old Boys' Database, and be made available to appropriate persons for the purpose of reunions etc.

From time to time we publish College news, student achievements and photographs in our newsletter, on our website and in other publications.

Further information on your rights can be found on the Australian Privacy Commission Website www.privacy.gov.au

Application for Enrolment

updated 7 February 2012

This application should be accompanied by a \$100 fee which is non-refundable. This is an administration fee and helps to cover costs associated with processing enrolments. Early in the year, two years preceding the proposed admittance, prospective day students and boarders will be called for an interview after which an offer of acceptance may be made.

Parent / Guardian Details

It is appreciated that students' family backgrounds differ widely. However, the College's procedure is to provide both Mother and Father with a copy of all reports, accounts for fees and newsletters. This procedure may be departed from only if a Court Order exists which requires (or makes appropriate) some other arrangement. You must therefore provide with this completed form a copy of any and all Orders of a Court relating to the son who is the subject of this application form. Order or Orders provided will be examined and you will be informed if the College proposes to depart from the procedure outlined above. If copies of any and all Court Orders relating to your son are not provided with this completed form and the College later learns of the existence of an Order or Orders, that may lead to the immediate cessation of the enrolment process or the immediate cancellation of the enrolment.

Parent Details

Are parents separated / divorced? Yes No (please tick)

If parents are separated / divorced (please circle) indicate details of other parent below.

Student lives with (please circle) Parents / Mother / Father / Guardian / Other _____

Signatures of Parents / Guardians

It is College policy that both parents must sign this form acknowledging each one's intention to apply to enroll the student. The application will not be further considered unless both parents sign this form. If necessary the form will be returned to enable the second parent to sign before the application is further considered. The application may be further considered (but only on the assumption that all information supplied by the enrolling parents is full and accurate and that copies of any and all Orders of a Court relating to your son have been supplied). Where the College later learns that the information supplied was not full and/or accurate or where the College later learns that copies of all Orders of a Court relating to your son were not supplied, the enrolment application process may cease and any Certificate of Enrolment issued may be cancelled.

Endorsement of this application and subsequent acceptance of this enrolment forms an agreement with the College and an undertaking of parents to pay all fees and charges for the student being accepted unless other arrangements have been made, and confirmed in writing, with the Principal.

Father _____ Mother _____ Guardian _____ Date _____

On acceptance of enrolment, parents will be asked to read and sign CONDITIONS FOR ENTRY INTO THE COLLEGE.
