ALL SAINTS' COLLEGE

VOCATIONAL EDUCATION AND TRAINING IN SCHOOLS (VETis)

An Anglican and Coeducational Independent College

**ALL SAINTS'
COLLEGE**

VOCATIONAL EDUCATION AND TRAINING AT ALL SAINTS' COLLEGE

All Saints' College offers several on-campus, Australian Skills Quality Authority (ASQA) approved Certificates.

ASQA promotes quality training so that students, employers, and industry have confidence in Australia's training sector. As such, Industry has created a number of Training Packages that reflect the skills and knowledge that employers expect from their employees. Nationally, only a Registered Training Organisation (RTO) that may be either government or privately owned can conduct nationally Recognised Training (NRT).

Vocational Education and Training in Schools (VETis) is limited by ASQA in the NRT they can deliver by industry. This is naturally to guard standards of training and to assure that qualifications, regardless of where they are delivered and by who, will be of equal standards.

Schools that deliver Certificates on campus must have an Auspice relationship with an RTO and Certificate IV Training and Assessor qualified teachers with recognised and approved industry knowledge and currency, delivering the Certificates. The Auspice RTO ensures that the NRT delivered by schools is according to industry standards and meets ASQA requirements.

At ASC we will be offering the following ASQA approved qualifications in 2021:

- **CHC24015 Certificate II in Active Volunteering**
- **10297NAT Certificate II in Applied Language (French Context)**
- **BSB20115 Certificate II in Business**
- **CUA20215 Certificate II in Creative Industries**
- **MSF20516 Certificate II in Furniture Making Pathways – Year 12 Only (must have done in Year 11)**
- **SIT20316 Certificate II in Hospitality**
- **SIS20319 Certificate II in Sport Coaching**
- **10661NAT Certificate III in Applied Language (French Context)**
- **SIT30516 Certificate III in Events**
- **ICT30118 Certificate III in Information, Digital Media and Technology – Year 12 Only (must have done in Year 11)**
- **CUA31015 Certificate III in Screen and Media**

The Certificates will be available to Year 10, 11 and 12 students with in some cases the Certificate II needing to be completed before embarking on the Certificate III. Listed Units of Competency are subject to change.

NB: Although the above on-campus offerings will be offered in 2021, Gateway Pathway students will still be encouraged to apply for off campus Certificates that best reflect their post-school career pathways plans. These qualifications may be offered by both North and South Metropolitan TAFE or other Privately Registered Training organisations. Gateway pathway students may also select from the on-campus offerings on the proviso their WACE requirements are addressed.

VET AND THE WACE

WHAT IS VET?

Vocational Education and Training (VET) provides you with skills and knowledge to perform effectively in the workplace. A VET qualification prepares you for, or in some instances qualifies you to do, a specific job. VET can contribute directly to your career goals no matter what your destination is. It all counts in some way at different points in your career.

WHY WOULD I CHOOSE VET?

- VET offers many pathways towards your career and vocation aspirations
- VET is nationally recognised which means you can take it anywhere in Australia
- VET contributes significantly towards your Western Australian Certificate of Education (WACE).

TRAINING PATHWAYS

A VET qualification provides you with essential skills which are transferable across multiple employment and education pathways. You will find information in the post-secondary pathways brochures.

VET AND THE WASSA

Completed qualifications recorded as part of your secondary studies are listed on the Western Australian Statement of Student Achievement (WASSA) along with individual units of competency achieved.

HOW DOES VET CONTRIBUTE TOWARDS THE WACE?

VET can contribute towards the WACE as VET credit transfer OR as a VET industry specific course which combines a VET qualification with industry relevant workplace learning. Visit <http://senior-secondary.scsa.wa.edu.au/vet/how-vet-contributes-towards-wace>

VET completed as a VET industry specific course gains course unit credit plus unit equivalence for the endorsed program ADWPL. Visit <http://senior-secondary.scsa.wa.edu.au/vet/vet-industry-specific>

TRAINING PATHWAYS

A VET qualification provides you with essential skills which are transferable across multiple employment and education pathways.

USI AND THE WACE

For VET to contribute towards the WACE you need to have been issued with a Unique Student Identifier (USI) and have it added to your student record. Speak to your school's VET coordinator or visit <https://www.usi.gov.au>

WHAT IS A TRAINING PACKAGE?

A training package is a set of nationally endorsed standards and qualifications for recognising and assessing skills and knowledge in a specific industry, job sector or enterprise.

WHAT IS AN ACCREDITED COURSE?

An accredited course is one that is developed to meet training needs not addressed by existing training packages. See the VET infographic at <http://senior-secondary.scsa.wa.edu.au/vet/all-about-vet>

DO ACCREDITED COURSES CONTRIBUTE TO THE WACE?

In many cases accredited courses provide the same credit towards the WACE as training package qualifications.

Download the Accredited Course Recognition Status List <http://senior-secondary.scsa.wa.edu.au/vet/wace-recognition-of-vet-accredited-courses>

WHAT IF I DON'T GET MY WACE?

VET that is achieved once you are no longer at school may be used towards meeting WACE requirements. Visit <http://senior-secondary.scsa.wa.edu.au/certification/wace-after-year-12>

VET AWARDS

The School Curriculum and Standards Authority recognises student excellence in VET through the annual VET Awards for students who have completed a combination of VET and workplace learning by the end of Year 12. Visit <http://senior-secondary.scsa.wa.edu.au/certification/exhibitions-and-awards> Awards for Outstanding Achievement in VET.
