PRINCIPAL'S OVERVIEW

Methodist Ladies' College (MLC) is an independent Day and Boarding School for girls, located on the Swan River in Claremont, Western Australia. With one campus from Early Learning through to the Junior and Senior Years, MLC offers a holistic education that empowers each girl to shape her own future. Recognising every girl's individuality, we provide an environment where she can explore her strengths, pursue her passions and reach her full potential.

A defining moment of 2024 was the launch of our <u>Strategic Plan, Shaping Futures: MLC 2030</u>. Developed in collaboration with our community, it outlines our commitment to providing an outstanding education that prepares our girls for a dynamic future. Honouring our 118-year legacy while embracing innovation, Shaping Futures: MLC 2030 is more than a strategy – it is our promise to cultivate an environment where students are equipped to thrive and make a meaningful impact.

As part of this plan, holistic learning and teaching remain firmly at the forefront of our learning framework. At MLC, we believe success extends beyond academic results, encompassing skills, values and attributes essential for life after school. To support this, we appointed Dr Penelope Russell as our Director of Learning and Teaching Excellence. Under her leadership, we have launched our new <u>Vision for Learning Framework</u>, which includes an exciting research-practice partnership with The University of Melbourne on their innovative <u>Melbourne Metrics</u> project. We also welcomed a Head of Futures mid-year and announced a Director of Sport for 2025, reinforcing our dedication to student development across all domains.

STUDENT ATTENDANCE

ATTENDANCE RATES

Percentage of Attendance

NON-ATTENDANCE MANAGEMENT

The average attendance rate of MLC students in 2024 was 93.56%.

At MLC, we work in partnership with parents to support and promote regular school attendance, recognising that consistent attendance is vital for students to reach their full potential.

Attendance is recorded by staff each period and managed in line with the College's Attendance Policy. If a student is going to be absent, parents are asked to notify the College before Period 1. Unexplained absences are followed up with an SMS and/or phone call.

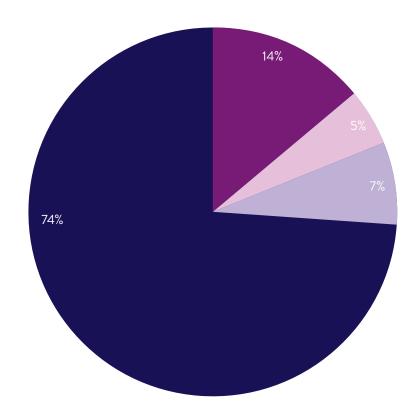

Students are expected to attend school until the official end of term. We strongly discourage travel during term time unless a student is representing their club, the College, or their State. Requests for planned absences should be submitted at least one month in advance.
